Return to Shape Revives Dashing, Young Shirtwaist

PRINTED PATTERN A517
by Ginny Stutzlen

The dashing, the imperishable, the beloved Shirtwaist is newly interpreted for spring by one of New York's top, young designers—Ginny Stutzlen. The shape is soft, feminine—the wide, wide belt accents a small waist above a skirt gently gathered in front, smooth in back. The details tell the '59 fashion story—a collar curved to stand away from the neck, sleek midriff and a choice of no sleeves, short, or the smart, cuffed, push-up kind. Picture Printed Pattern A517 in morning cottons, luncheon prints, or starlight silks—a dress that will keep you looking delightfully fresh when the rest of the world is wilting.

Printed Pattern A517 is available in Misses' Sizes 10, 12, 14, 16, 18 and 20. Size 16 requires 5 yards 35-inch fabric.

Send One Dollar for Printed Pattern A517 to The Daily Colonist Pattern Department, 60 Front Street West, Toronto, Ont. Please print plainly your name, address with zone, style number and size.
